TASK #4

EPM-OGST

4   TASK #4 DESCRIPTION

Extend functionality of "comments" feature by adding quotation, moderation and ban features.

4.1   COMMENTS

4.1.1 Quotation

-    Add "Quote" link near "Answer" link.
-    "Quote" link works like the "Answer", but automatically adds text from parent comment surrounded with tags <quote> </quote>.
-    User shouldn't see "quote" tags.

4.1.2 Moderation

-    Add "Delete" link to each comment.
-    If use clicks "Delete", modal window with confirmation text ("Delete this comment?" yes/no.) should be displayed.

4.1.3 Ban

-    Add link "Ban" to comments.
-    If "Ban" link clicked, user should be redirected to page (method: post) with ban duration options: 1 hour, 1 day, 1 week, 1 month, permanent.

    Hint:

-    We don't have users for now, so make empty service methods and test it.
